

THE
REGINALD FESSENDEN

CHALLENGE

1-2 JULY 2025

THE REGINALD (Aubrey) FESSENDEN CHALLENGE

"INDIVIDUALS PLAY THE GAME, BUT TEAMS BEAT THE ODDS."

The Reginald Fessenden Challenge brings together a community of like-minded professionals in an informal setting: to provide a wonderful team building opportunity and build a network of contacts with a common interest in the submarine endeavour.

The regatta also enables that same community to support two charities: The NOT FORGOTTEN, which is a long established and very worthwhile Service Charity which provides entertainment, leisure and recreation for the serving wounded, injured or sick, in a very visible and practical way and The Submarine Family (SMF).

The after dinner auction of promises is held to raise the awareness of, and funds for The Submarine Family (SMF) & The NOT FORGOTTEN on a 50/50 basis. So bring your wallets and dig deep!

OUR CHARITY PARTNERS

THE NOT FORGOTTEN

THE NOT FORGOTTEN

Our chosen Charity partner, The Not Forgotten have remained much the same throughout its history.

Our Objective: To act generally for the benefit of service and ex-service personnel with disabilities or who are wounded, including the organisation or provision of items or facilities for leisure and recreational activities, travel, holidays and outings.

Our Mission: To deliver high quality and safe recreational and entertainment activities to meet the needs of our beneficiaries, and to provide a caring and personal service which is fully linked in with other recovery pathways and which is underpinned by an ethos where everyone counts and is valued.

The Submarine Family brings together all parts of the submarine community. The Submarine Family has four primary outputs for which we raise and on which we spend money:

- Camaraderie - supporting projects and organisations which bring our Family together.
- Compassion - supporting our family through a variety of hardships, including: health, childcare, wellbeing, financial and many more.
- Commemoration - supporting projects and organisations which help remember those who have given their lives in the Submarine Service.
- Heritage - Preserving our submarine heritage to tell our story in museums, naval establishments and in print and broadcast media.

The Not Forgotten Association is a registered charity (number 1150541) and a private company limited by guarantee (company number 8302965) registered in England and Wales

The Royal Navy and Royal Marines Charity is a company limited by guarantee registered in England and Wales (no. 6047294) and is a registered charity (no. 1117794) and Scotland (SC041898), The Submarine Family is entirely a part of the RNRMC.
