## LITTLE BRITAIN CHALLENGE CUP

The Little Britain Challenge Cup is the property and construction industry's annual sailing regatta.

Since its foundation in 1988, the regatta has attracted hundreds of companies and thousands of crews, and for many it remains one of the best and most enjoyable networking events in the industry.

It is a fantastic event for project teams celebrating success, for team building, networking with industry professionals, and for client entertaining. It's also a great time to learn to sail or to improve your boat and racing skills. The LBCC has a unique atmosphere and provides great racing.

### THE SAILING

**Absolutely NO previous sailing experience is required**

Once you have decided to join The Little Britain Challenge Cup with Britannia, you will be allocated a premium race yacht and professional crew on board to oversee safety and provide on-the-day sailing tuition.

To help your team be more competitive, enjoy your training-day on the Thursday prior to the regatta.

Get the whole crew up to speed and ready to race in the Little Britain Challenge Cup!

### OUR YACHTS

Our Beneteau First 40's are racer/cruisers which are easy for novice sailors to learn on yet challenging enough to keep competent racers busy. These yachts demonstrate a winning combination of style and performance.

As well as a superb sailing experience, these yachts are ideal for corporate hospitality, benefitting from an uncluttered deck layout, spacious cockpit and plenty of room for crew to move about both above and below decks.

The First 40 can sleep 6 guests and sail with 10 with her professional crew.
