THE LEGAL CUP

The Legal Cup is "The" social, sailing and networking event for the legal sector and suppliers to the industry. Every year, yachts representing a spectrum of different law firms race on the picturesque waters of the south coast with a programme of races scheduled on both Saturday and Sunday.

2022 will be the 31st staging of the regatta which Britannia is proud to have owned and managed with the support of our partners and sponsors since its inception in 1991.

The event is suitable for seasoned sailors and novices alike. No experience is necessary as Britannia provides a professional skipper on-board each of our yachts to teach you the ropes and ensure you get the most from the event!

Each year The Legal Cup attracts solicitors, barristers and in-house lawyers. Here are just some of the firms who have joined us in recent years: Allen & Overy, Ashurst, Banks Kelly, Bar Yacht Club, Bird & Bird, Bond Dickinson, Canaccord Genuity Group, Clifford Chance, Dechert, Fieldfisher, Freshfields Bruckhaus Deringer, Herbert Smith Freehills, Ince & Co, Linklaters, Macfarlanes, Maitland Chambers, Norton Rose Fulbright, Pravo300, Sidley Austin and Stewarts Law.

YACHTS & RACING

We offer a choice of yachts depending on how many crew you want to bring and the type of racing you want to do. Our performance Beneteau First 40 yachts race with up to 10 guests and use spinnakers. Our cruising Beneteau Oceanis 37 offer a more relaxed racing experience for up to seven guests and are perfect for client entertainment.

We welcome private entries from owners with their own yachts if they are a similar size and speed as the fleet and will compliment the racing.

Our professional race committee manages the racing using a handicap system to bring everyone onto a level playing field regardless of the yacht you choose, so all teams can compete and have a chance to win the coveted trophy.

CHARITY PARTNER

Our chosen Charity partner is Oarsome Chance. The charity is the vision of founder Paul O'Grady, being aware that an aptitude for business was not something young people were taught in schools.

Oarsome Chance aims to develop programmes to benefit education and a route to employability outcomes using vocational education and training; Focusing on young people aged from 9-21 years old who are disengaged from mainstream education and are at risk of exclusion and suffering disadvantage.
